Become a Friend of Springboard... make a positive difference to someone's life

Friends of Springboard is a way for those who have achieved success in their own careers to give something back to those who need it most in the form of an annual or monthly donation.

How donations are used:

Your money goes directly to helping us increase the impact of Springboard's Employability Programmes across the UK, which currently help over 1,000 people every year gain new personal and career skills and connect with hospitality employers for real-life work experience.

Your money helps people like Joe

Joe completed our Hospitality Futures programme and has now managed use his new found skills and confidence to land a role as a barman/waiter at the Hilton London Bridge. According to Joe, he would probably be in prison, homeless or dead without the help of The Springboard Charity.

Annual donations from every **10 Friends** of Springboard will enable **one unemployed or underprivileged** person to be taken through an entire programme

How to become a Friend

An annual donation of just **£200** - which will facilitate a 2-week work experience placement

A monthly donation of **£20** - which will provide invaluable mentoring with an industry manager for 2 months

Every Friend will change someone's lives

As a Friend of Springboard you will receive: Regular updates on the individual and course you are supporting, an invitation to the course graduation, named recognition on our website and relevant publications
