How to Set Up an Individual Fundraising Page on JustGiving and How to Get a QR Code for Your JustGiving Page

Springboard

Whether you're doing a challenge, celebrating a birthday, or simply want to support a cause close to your heart, it's quick and easy to create your own fundraising page for **Springboard** on JustGiving.

Follow these steps:

Step 1: Go to www.justgiving.com

Step 2: Log In or Sign Up

- If you already have a JustGiving account, log in.

- If not, select **"Sign up"** and create a free account using your name, email, and a password.

- Click on the **"Start Fundraising"** button.

Step 3: Choose a Charity

- When asked **"Are you fundraising for a charity?"**, click **Yes**.

- Type **The Springboard Charity** into the search bar and select it.

Step 4: Select Your Event Type

- If you're doing an organised event (e.g. a marathon), choose the event from the list.

- If not, select **"Doing your own thing"** - perfect for personal fundraising activities.

You can name your activity something personal, like:

- *"Sarah's 5K for Springboard"*

- *"Tom's Birthday Fundraiser"*

- *"Bake Sale for Springboard"*

Step 5: Create Your Page

Personalise your page by:

- Setting a **fundraising target**
- Adding a **title** and **short story** about why you're fundraising
- Uploading **photos or videos** to bring your page to life

Make it engaging so friends and supporters feel inspired to donate!

Step 6: Launch and Share

Once your page is ready, hit **Publish**, and start sharing it with:

- Friends, family, and colleagues
- On social media, WhatsApp, or by email

Don't forget to include your JustGiving link and say thank you to everyone who supports you.

Step 3: Scroll to the Share Section

On your fundraising page:

- Scroll down until you see the **"Share"** options (or look in the sidebar on desktop).

- You should see icons for sharing via Facebook, Twitter, etc.

- **Look for the QR code icon** or a link that says **"Print a poster"** or **"QR code"** (it can vary slightly based on layout and device).

Step 4: Download the QR Code

- Click the QR code icon or the "Print a poster" option.

- A window will open with a **ready-made QR code poster** or **standalone QR image**.

- You can **download** or **print** it directly from there.

You're All Set!

Your fundraising helps **Springboard** provide vital training and support to people looking to build a future in hospitality.
